GARY "BUZZ BOMB" BEBAN (16) was the offensive spark of the '65 Bruins. This junior QB, with All-America potential, is back and tabbed for another banner year. He ran for 14 touchdowns and passed for 9 more last season.

MAGNIFICENT MEL FARR (22), an explosive halfback who specializes in the "touchdown home run," returns for his senior season, a year in which he's tabbed for "All" honors. He led the '65 Bruins in rushing with 821 yards on 122 carries for an impressive 6.72-yd. average and 8 tallies, including TD runs of 58, 49, 45, 38, 37 and 21 yards.

' EXCITEMENT AND "RIDES":

peful of another winning campaign under Prothro & Co.

JARRING JOHN RICHARDSON (75) AND DYNAMIC DALLAS GRIDER (55) are back to lead the defensive platoon. Both rate strong "All" consideration, Richardson as a big (6-2, 254) and tough guard and Grider as a fiery linebacker.

. . . AND THE GREAT BRUIN BAND PLAYS ON . . .

The season 1965 will go down in UCLA football history as, perhaps, the most memorable one in the Bruins' 47 years of gridiron competition (1919-65).

It was the year coach Tommy Prothro returned, the advent of a new and winning era in UCLA football.

It was the season when the Bruins won their first Rose Bowl game, snapping a five-game losing string in the New Year's Day classic.

It was the year that saw the Bruins sweep to an undisputed AAWU title with a perfect 4-0 record.

It was UCLA's first winning football season in four years, an impressive 8-2-1 record against one of the toughest schedules in the country. In fact, it was the Bruins' finest record since 1957 when they posted an 8-2-0 mark.

It was the year of two thrilling come-from-behind victories. Washington led 14-0 in the first quarter and 24-10 at halftime only to see the Bruins rally for a 28-24 triumph. With exactly four minutes to play, USC led 16-6 only to have the Bruins "bomb" the Trojans out of the Coliseum,

'Tommy Prothro Era' off to Memorable Start at UCLA

out of the conference championship and out of the Rose Bowl with two spectacular touchdown aerials, one for 34 yards from Gary Beban to Dick Witcher and the other, a 48 yarder, from Beban to Kurt Altenberg, for a 20-16 victory, a victory that, surely, rates as UCLA's most exciting and important win over USC in history.

It was the year the Bruins pulled one of the biggest Rose Bowl upsets in history. Undefeated Michigan State, the country's No. 1 ranking team, was rated a shoo-in. But the Bruins turned in a magnificent TEAM performance to surprise both the Spartans and the experts. They jumped into a 14-0 lead and then held on courageously for the 14-12 tingler.

It was the season of two rare, two perfect on-side kicks. The first came against USC with Kurt Zimmerman kicking and Dallas Grider recovering on the Troy 49. Five plays later the Bruins scored their game-winning TD. The second transpired in the Rose Bowl with the same combo teaming up to give the Bruins possession on the MSU 42. Five plays later UCLA had a lead (14-0) it never relinquished.

It was the year of many honors for the Bruins, climaxed by Prothro being voted "Coach-of-the-Year" by his fellow members of the American Football Coaches' Association. Bob Stiles became the first Bruin ever to win the Rose Bowl "Player-of-the-Game" trophy. Recipients of All-AAWU and All-Coast honors were Altenberg, Russ Banducci, Beban, Jim Colletto, Mel Farr, John Richardson and Stiles. (Look for returnees Beban, Farr and Richardson to be standout All-America candidates in 1966).

It, too, was the year of the "bomb", as detonated by the strong right-arm of the passing Mr. Beban, and the long (home) run, as executed by the strong legs of the dashing Mr. Farr.

Yes, the season 1965 will be one that Bruins will remember forever, truly an auspicious beginning for the "Tommy Prothro Era" at UCLA.

THE 1966 BRUINS

RETURNING VETERANS — 30 returning lettermen from the 1965 team that won the Rose Bowl championship and two from the 1964 team. These include: Offense—Three ends, three tackles, three guards, one center, two quarterbacks, two left halfbacks, two right halfbacks, one fullback, one punter and one place kicker. Defense—Two ends, three tackles, two guards, threee linebackers, two right halfbacks and one safetyman. Of these, 10 are two-year lettermen. Of the returnees, the following started games: Offense—Gary Beban, qb, 11; Rich Deakers, lg, 11; Mel Farr, lh, 11; Larry Slagle, lt, 11; and John Erquiaga, c, 1; and offensive right half Tim McAteer, 10 games as defensive safety. Defense—Al Claman, rt, 11; Terry Donahue, lt, 11; Erwin Dutcher, rlb, 11; Dallas Grider, llb, 11; John Richardson, lg, 11; Dick Donald, rg, 2; Wade Pearson, re, 2; Sandy Green, s, 1. After Coach Tommy Prothro put his equad through Spring Practice, several important position changes were noted. Ray Armstrong, one of the fastest men on the team, went from right half to left end; Sophomore Fullback Mike Bergdahl wound up at left half; Safetyman Tim McAteer to right half; Sophomore Quarterback Rick Purdy to fullback; and Larry Slagle, from right to left tackle. High on the list of individual stars was Beban, who won All-Coast and All-AAWU honors and set three new UCLA records with his passing and running. Also, on offense, was Farr, the "home run" king who won first team All-Coast and All-Conference honors at left half scoring six touchdowns on runs ranging anywhere from 21 to 58 yards. On defense All-Conference and All-Coast first team honors also went to left Guard John Richardson, who now weighs in at 254 pounds, biggest in UCLA history, and to left Linebacker Dallas Grider, the quick-striking performer who was such an important cog in the Bruin defense last season. This year, any of the four could graduate to All-America honors without stretching the imagination in the least. Another record-breaker also returning, it should be noted, is place-kicker Kurt Zimmerman, the No. 3 Bruin scorer last year.

LOSSES—13 lettermen, including the following: Offense—Two ends, one tackle, one guard, one center, one right half and one fullback. Defense—Two ends, one guard, one linebacker, one left half, and one right half. The most important losses included All-Coasters Kurt Altenberg, the top left end and pass-catcher in Bruin history, and left Tackle Russ Banducci, a real unsung hero. Along with Altenberg, graduation of receivers like right End Byron Nelson and right Half Dick Witcher will not help UCLA's chances. Altenberg now has no less than four single-season and career pass-catching records in the book. In 1965 he caught 32 passes for 599 yards to bring his career total to 87 for 1446 yards. Of the losses by graduation, defensive left Half Bob Stiles, the Rose Bowl's "Player of the Game," also set a new UCLA interception record with a total of nine during the 11-game slate. Of these losses, following is a listing of the starters: Offense—Kurt Altenberg, le, 11; Russ Banducci, lt, 11;

THE 1966 BRUINS

(Continued)

Paul Horgan, fb, 11; Barry Leventhal, rg, 11; Byron Nelson, re, 11; Dick Witcher, rh, 11; Mo Freedman, c, 10; Defense—Bob Richardson, rh, 11; Bob Stiles, lh, 11; Jim Miller, rlb, 10; Steve Butler, rg, 9; Jim Coletto, le, 8; and Jerry Klein, re, 1.

PROMISING SOPHOMORES—Quarterback Rick Purdy, a king-size performer who was switched to Fullback in the Spring and shows promise of being an outstanding player. He carried the ball 37 times for 291 yards and a 7.9 average in the two frosh games last fall. Mark Gustafson, a stocky two-way halfback performer last fall, came along well in Spring drills and may take over the top defensive left half slot left vacant by Stiles' departure. In addition, right End Ron Tretter woke a few railbirds up with his improved play in the Spring. A come-through performance at his spot could help make up for the loss of Nelson.

OFFENSE—Under Coach Tommy Prothro UCLA, now in its fifth year of the T-Formation, will feature a wide-open "Shifting-T" formation, stressing a great deal of movement and utilizing a moving quarterback. The formation will always have the split end and is adapable to setting the backs wide in slot or flanker positions and may also develop into many other formations. Generally, the attack is one that is expected to disperse the movement of the manpower; and it will be able to make use of some truly great running and passing this year.

RUNNING—UCLA figures to improve in this department even though left Half Mel Farr displayed nothing short of greatness in carrying 122 times for a net 821 yards and a remarkable 6.7 average. Steve Stanley and Rick Purdy should give the Bruins a top-flight 1-2 punch at fullback while Steve Durbin and Sophomore Mike Bergdahl can spell Farr in more than adequate fashion. Much improved Cornell Champion looks good at right half although he will be primarily an aerial target. While most folks remember Quarterback Gary Beban primarily as tosser of "the bomb," his 590 yards in 194 carries placed him in second spot among ball-carrying Bruins last year, and after all, he did score no less than 14 TD's on the ground to set a new UCLA standard.

PASSING—The situation is reversed from that of a year ago when UCLA lost virtually 100 per cent of its air arm by graduation of Larry Zeno. This year, the Bruins have lost probably the best trio of pass-catchers in the country in Altenberg, Nelson and Witcher, who combined for 66 receptions for 1188 yards and eight touchdowns. This year, the Bruins have the marvelous air arm of Quarterback Gary Beban, who bombed the opposition for 78 completions out of 152 passes for 1483 yards and nine touchdowns. However, returnees caught a combined total of only 15 passes in 1965. The switch of five-foot-nine Ray Armstrong from right half to left end gives UCLA speed at the position, but the Bruins lose considerable in heft and height. At right end Rich Spindler and newcomer Ron

THE 1966 BRUINS

(Continued)

Tretter show signs of making fair replacements for Nelson while the improvement by right Half Cornell Champion may make up some for the loss of the talented Dick Witcher.

DEFENSE—The Bruins will go the straight two-platoon system with no one going "both ways." In general, the defense appears to be fairly well-balanced although the only sizeable performer on the whole defensive unit will be left Guard John Richardson, who this year bids big for All-American honors and a spot as possibly the greatest lineman ever developed by UCLA. Quickness and toughness again must be the big asset of the Bruins if they are to "stay alive" with some of the king-sized teams they'll be playing.

FROM TACKLE-TO-TACKLE—Offensively the talent appears to be balanced although this is not a fast Bruin line. Left Tackle Larry Slagle may become a fine replacement for the Graduated Russ Banducci and Rich Deakers should be improved for his senior season at left guard. Eventually Center John Erquiaga may be a top-notch performer. On the defensive unit, there is even less size, except for left Guard John Richardson; but there is more quickness. Also there is a little more experience. Tackles Al Claman and Terry Donahue, who started all 11 games last season, may be the best pair of defensive tackles under 200 pounds in the country. At any rate, Tommy Prothro's defensive performers may again show football fans that UCLA defensive football is not dull.

ENDS — Come-through performances here are a "must." With no big targets for Quarterback Gary Beban to zero in on, left Ends Ray Armstrong and Mickey Erlich will have to use their speed and maneuverability to best advantage while Rich Spindler and Ron Tretter at the other flank must gain their experience fast. If you consider the UCLA right half a "third end," Cornell Champion may be the looked-for replacement for the graduated Dick Witcher. On defense Vic Lepisto, a letterman two seasons ago, and Wade Pearson, who started in two games last fall, are the top candidates. Generally, then, you must feel the Bruins need improvement here.

THE OUTLOOK—Again facing one of the nation's toughest schedules, at least the Bruins will finally get back to a normal schedule with six games scheduled at home. However, UCLA no longer has the element of surprise in its favor; everyone knows the Bruins are around and will be ready for them. But Coach Prothro expects another tough, thoroughly-conditioned team; and this one should have the pride to carry on well in the footsteps of the 1965 team that made a lot of football history.

COACH-OF-THE-YEAR . . .

TOMMY PROTHRO
UCLA HEAD FOOTBALL COACH

TO put it mildly, Tommy Prothro had himself a great first season at the UCLA football helm last year. His 1965 Bruins not only posted a winning 8-2-1 season mark to rank high nationally (No. 4 in the AP and No. 5 in the UPI polls), but also swept to the AAWU title with a spotless 4-0 record and chalked up a coveted Rose Bowl victory for the first time in his career and UCLA's history.

And, to top it all off, it was fitting that Tommy was accorded the greatest honor that can come to a coach. He was voted "Coach-of-the-Year" by his fellow members of the American Football Coaches' Association.

Yes, it was truly an auspicious begining for the "Tommy Prothro Era" at UCLA.

Previously, Prothro had lost as a player in the transplanted Rose Bowl game of 1942 (Oregon State 20, Duke 16 at Durham, N. C.). Then, as an assistant coach at UCLA, he was on the losing side in the 1954 New Year's Day game (Michigan 28, Bruins 20). Twice as the Oregon State headman he lost in the Pasadena classic, 35-19 to Iowa in 1957 and 34-7 to Michigan in 1965.

And so Mr. P. is the only coach ever to bring different teams into the Rose Bowl on successive years, Oregon State in 1965 and UCLA in 1966. The Bruins' 14-12 thriller over Michigan State last Jan. 1 ended their drought of five losses without a victory at Pasadena, 0-9 to Georgia in 1943, 14-45 to Illinois in 1947, 20-28 to Michigan State in 1954, 14-17 to Michigan in 1956 and 3-21 to Minnesota in 1962.

By bringing the Bruins their first winning season since 1961, their first AAWU title since '61, Prothro also added to his impressive record in conference play. He has now won four league titles in five tries, two Pacific Coast Conference crowns at Oregon State in 1956 and '57, one AAWU co-title at OSU in 1964 and another AAWU crown at UCLA last year. His only other conference campaign came in 1955, his first year at OSU, when the Beavers finished second in the PCC. Oregon State played an independent schedule the other years he was there, 1958 through '63.

The 46-year-old Prothro returned to UCLA following a brilliant decade (1955-64) at Oregon State where he vaulted the Beavers into national and sectional pigskin prominence. His 10 OSU teams posted an impressive overall record of 63 victories, 37 losses and 2 ties and an even better mark of 43-20-2 against PCC and AAWU opponents. This was the winningest record chalked up by any major West Coast grid power and head coach over this decade.

Before going to OSU, Tommy was the backfield coach

under the late Red Sanders at UCLA for six winning seasons (1949-54) during which the Bruins compiled a noteworthy 42-12-1 record, highlighted by the undefeated and national championship team of 1954. Prothro developed such all-time great Bruin backs as All-Americans Paul Cameron and Bob Davenport; and also Bill Stits, Primo Villanueva, Jim Decker, to name a few.

Originally a native of Memphis, Tenn., born on July 20, 1920, Tommy was a versatile young athlete and competed in football, baseball, basketball and track for Central High there from 1934-36. He also participated in those sports at Riverside Military Academy in Gainsville, Ga.

Prothro was then a star blocking back under Wallace Wade at Duke University. He won the coveted Jacobs Award as the best blocker in the East. He also competed in baseball and lacrosse at Duke from 1938 through '42 when he graduated.

Shortly before entering the service in World War II he was a line coach at Western Kentucky in 1942. He then served as an officer in the U.S. Navy for three years. Following discharge in 1946, he coached the Vanderbilt "B" squad and in 1947 became backfield coach there under Sanders. Prothro came to UCLA with Sanders in 1949 and remained here until he took the head job at Oregon State in 1955.

Tommy established himself immediately at Oregon State as a winning head coach. He took a team that had finished in the PCC cellar the year before and guided it to a second-place finish in 1955. As a matter of record, he experienced only one losing season at OSU — and a rash of injuries was a prime factor in that 3-7 campaign of '59.

While at Oregon State, Prothro produced such con-

THE STAFF

FRANKLIN "PEPPER" RODGERS
(Georgia Tech '55)
Assistant Varsity Coach

Pepper Rodgers enters his second season as offensive back and splitman coach for the Bruins. He came to UCLA last year after serving as head offensive coach at the University of Florida for five years (1960-64).

While Pepper was the offensive mentor at Florida, the 'Gators won 33 games, lost 17 and tied 2 for the best five-year record in the school's history. Among the top backs Rodgers has coached have been All-America halfback Larry Dupree of Florida; quarterback Rich Mayo of the Air Force Academy; and now quarterback Gary Beban and halfback Mel Farr here at UCLA.

Rodgers now enters his 11th year in the coaching ranks. He was the backfield coach at the Air Force Academy for two years (1958-59) before going to Florida. Prior to that he was a player-coach at Hamilton Air Force Base in California for two years (1956-57) where he also was a qualified Air Force jet pilot. He started his coaching career at Georgia Tech, his alma mater, as a student assistant in 1955 under Bobby Dodds.

Pepper was a star QB for the Engineers and led his teams to wins in the 1952 Orange Bowl game and Sugar Bowl games of 1953 and '54. In the latter game, he threw three touchdown passes, kicked a field goal and won "outstanding player of the game" honors.

Born on Oct. 8, 1931, the 35-year-old Pepper prepped at Brown High in Atlanta, Ga., where he lettered in football, basketball and baseball, winning All-State honors in each sport.

He's married to the former Judy Ragsdale and they have four children, three sons — Ricky, 12; Kyle, 8; and Kelly, 3 — and a daughter, Terri, 11.

RON SIEGRIST
(Oregon State '56)
Assistant Varsity Coach

Ron Siegrist, the first player coached by Tommy Prothro at Oregon State who returned to OSU as a coach, enters his second campaign as the offensive line coach for the Bruins.

Siegrist was a blocking back, co-captain and signal-caller on Prothro's first Beaver team in 1955 that surprised all by finishing second in the PCC race. Prior to that he had played under OSU coach Kip Taylor in 1952 and '53. He didn't participate in 1954.

Following graduation in 1956, Ron began his career

that same year by coaching Notre Del Rio High in Sacramento, Calif. He wound up his third and last year there in 1958 by having his team ranked No. 1 among Class "AAA" schools in Northern California. He then returned to Oregon State in 1959.

Born on May 13, 1931, the 35-year-old Ron prepped at Corvallis, Ore., High where he was an all-around athlete as well as starring in football.

He and his wife, Onalee, have three daughters, Gail, 12; Kathleen, 9; and Ronda, 7.

BOBB McKITTRICK
(Oregon State '58)
Assistant Varsity Coach

Bobb McKittrick enters his second season at UCLA and his sixth under head mentor Tommy Prothro. He is in charge of the defensive ends and linebackers and handles most of the defensive planning for the Bruins.

Bobb graduated from Oregon State in 1958 as an honor student and immediately entered active duty with the U.S. Marine Corps as a commissioned officer. Upon completion of his three-year tour of duty, he had to make a choice between accepting an assistant professorship at his alma mater, joining Prothro's staff, or accepting a position on the Iowa State football coaching staff under Clay Stapleton who was his line coach at OSU. Happily, he joined the Beaver staff where he coached four years before moving to UCLA last year.

As a player, he was a guard — and a good one — on Prothro's 1965-56-57 teams. Bobb played on two PCC championship teams as a junior and senior and in the 1957 Rose Bowl game. Born on Dec. 29, 1935, this 31-year-old native Oregonian prepped at Baker, Ore., High where he lettered two years in football.

He and his wife, Teckla, have two sons, Mike, 7, and Ladd, 5.

JOHN JARDINE
(Purdue '58)
Assistant Varsity Coach

John Jardine begins his second season at UCLA as the "boss" of the Bruins' offensive interior linemen.

John came to UCLA last year after serving as an assistant line coach at Purdue for one year. He and his brother, Leonard, joined the Purdue staff after distinguishing themselves in Chicago prep circles. John compiled a sparkling 46-6-1 record in his five years at Fenwick High, a member of the rugged Chicago Catholic League. His 1963 team won the Chicago city championship, in addition to the league

title. His '59 team also won the league crown.

Jardine launched his coaching, following graduation from Purdue in 1958, as the first head coach of the newly-founded Lafayette Central Catholic High, across the river from Purdue in Lafayette, Ind. He moved to Fenwick the next year.

Although weighing only 186 pounds, John was a good, tough guard for the Boilermakers in 1955-56-57 and was a starter in both his junior and senior years. Born on July 20, 1935, the 31-year-old John prepped at St. George High in Evanston, Ill., where he lettered in football, basketball and swimming.

John is married to the former Janice Ensign and they have four children, Dan, 6; Jennifer, 4; John, 2; and Jill, 1.

JERRY LONG
(Oregon State '50)
Assistant Varsity Coach

Jerry Long begins his 17th campaign in football coaching ranks. He handles the defensive interior linemen for the Bruins.

Jerry joined Tommy Prothro's staff at Oregon State in 1961 where he served as a line coach for four years before moving to UCLA last year. Prior to returning to his alma mater, Long served as the top aide and line coach at Willamette University in Salem, Ore., for six years.

Following graduation in 1950, Jerry began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in 1952 and '53 and Tigard in 1954.

After a three-year stint in the Navy, Jerry entered Oregon State in 1946 and lettered three years as a guard. Born on July 29, 1929, the 37-year-old Jerry prepped at Franklin High in Portland, Ore., where he starred in football and baseball, winning All-City grid honors.

This native Oregonian is married to the former Dorothy Jean Larson and they have three children, Karen, 10, and twins Randall and Diane, 8.

JOHN COOPER
(Iowa State, '61)
Assistant Varsity Coach

Handling the defensive deep backs for the Bruins is John Cooper, now entering his fifth year of coaching. He spent two years under Tommy Prothro at Oregon State before moving to UCLA last year.

Before his two years at Corvallis, John spent one season at Iowa State, his alma mater, coaching the frosh team. As an undergraduate, he lettered three years in football where he was a star defensive half-

back and offensive tailback. He was the team captain in 1961. In addition, he was the recipient of the Leadership Award and also the Reuban Miller Award presented to the Iowa State player contributing the most to the football team both on and off the playing field.

Born on July 2, 1937, the 29-year-old John prepped at Powell, Tenn., High where he lettered in football, basketball and baseball. Following graduation, he served a two-year tour in the Army before entering Iowa State in 1958.

John and his wife, Helen, have a son, Johnny, 3.

LEW STUECK
(UCLA '57)
Assistant Varsity Coach

Lew Stueck is in his fourth year on the UCLA staff, his second with Tommy Prothro following two years under Bill Barnes. He served as frosh coach under Barnes and now with Prothro is the chief scout, helps with the offensive line and works on fundamentals and drills for all positions.

As Brubabe mentor, Stueck posted an impressive two-year record of 5-1-1. Prior to coming to UCLA (as a coach) he was the head coach at Los Angeles' Loyola High for five years where he compiled a fine 33-12-3 record. His 1960-61-62 teams won the Catholic League crowns and the '62 team went on to take the Southern California CIF large schools prep title with a spotless 13-0-0 mark.

Born on Apr. 1, 1935, the 31-year-old Lew prepped at Loyola High, where he later coached and won three football letters, receiving All-Catholic League honors at halfback in 1952.

After attending Washington State for two years, where he lettered in both frosh and varsity football, he transferred to UCLA. Following graduation in 1957, he coached one year at St. Anthony's High in Long Beach, Calif., before moving to Loyola.

Stueck is married to the former Donna Friese and they have three daughters, Julie, 8; Monica, 6; and Kristina, 4. His wife and two sisters, Mary Lou and Lilyan, also attended UCLA.

TONY KOPAY
(Washington '62)
Assistant Varsity and Head Frosh Coach

Tony Kopay enters his second season as head frosh mentor and varsity assistant under Tommy Prothro. His frosh team posted a 1-1 record last season.

Tony came to UCLA folowing two successful years as head coach at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there in 1964.

He prepped at Notre Dame High in Sherman Oaks, Calif. He then

attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958-59). He then transferred to University of Washington and played halfback and fullback for the 1960 and '61 Huskies.

Following graduation, Tony was a student assistant coach at Washington, serving as backfield coach for the frosh. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the brother of former Washington and present San Francisco '49er halfback Dave Kopay.

Born on Jan. 22, 1940, the 26-year-old Tony married the former Maryon Vusich on July 2, 1966.

Widest Margin of Victory for Pittsburgh: 21 Points (27-6 in 1958)

GAME NO. 1

After several "down" years, look for Pitt to bounce back in an aggressive and enthusiastic fashion under a new coaching staff, headed by Dave Hart. He takes over the Panther post after being a highly-successful prep coach in Pennsylvania and also a top assistant at both Kentucky and Navy.

Pitt holds a 4-3 lead over UCLA in this colorful East-West intersectional rivalry. They didn't play last year when the Bruins swept to a winning 8-2-1 record while Pitt was settling for a losing 3-7 mark.

Although obviously rebuilding this year, Hart & Co. expect to field a battling team in the tradition of this long-time Eastern grid power. They are counting on 19 returning lettermen, including three starters from the offensive unit and five from the defensive platoon, and 16 promising sophomores to be the mainstays of their 1966 squad.

The Panthers' big star is Captain Jim Flanagan, a 6-3, 218-lb. senior linebacker with All-America potential. This rugged performer also will double up and see action at fullback. Teaming with Flanagan at linebacking is another standout returnee, junior Tom Mitrakis (6-4, 215), who also will see duty at offensive center.

The new Pitt coach will try to two platoon, but it will be done with the help of a half-dozen all-around football players, like Flanagan and Mitrakis, who will have to be in the lineup when things are tough.

Other talented vets on offense include left half Bob Dyer, a speedy 175-lb. ball carrier, split ends Mickey Rosborough and Bob Longo and guard Dick Miale. Besides Flanagan and Mitrakos, other defensive stars back are junior Dave Drake (6-1, 220) at guard and senior Joe Poll (6-0, 190) at safety.

One of Hart's main problems is to replace the great Kenny Lucas at quarterback. He set all the modern Pitt passing records the past three years. Best bets at QB appear to be senior Ed James and junior Mike Elliott, both of whom have seen only spot action. In fact, Elliott didn't play at all as a halfback in 1965 but was a pleasant surprise at QB last spring.

Widest Margin of Victory for Syracuse: 39 Points (39-0 in 1964)

GAME NO. 2

The always tough Syracuse, the pride of New York, figures to be waiting for Tommy Prothro and the Bruins this season. After all, Prothro has beaten 'em two years in a row, first at Oregon State (31-13) in 1964 and then at UCLA (24-14) last year.

This sixth renewal of this cross-continent series is tabbed to be one of the top early-season attractions of 1966. For one thing, it will pit two of the best running backs in the country against each other.

They, of course, are Syracuse's Floyd Little, a two-time All-American, and UCLA's Melvin Farr, who arrived last year as a truly amazing runner. The elusive Mr. L. has pretty well rewritten the Syracuse record book, and erased most of the standards set by Jim Brown and the late Ernie Davis.

Last season, Little led the nation in touchdowns (19), was second in scoring (114 points), No. 6 in rushing (1,065 yards) and No. 5 in kickoff returns (423 yards). The Bruins did an unbelievable job in containing Little last year, holding him to 27 net yards in 16 carries for a measly 1.68 average.

The Orangemen also boast a super fullback to team up with Little. He's Larry Csonka (6-4, 240!), who averaged 5.8 yards a carry last year. He ripped through the 1965 Bruins for 162 yards in 27 carries for a 6.00 average and a TD.

Little and Csonka head a cast of 23 returning lettermen from last year's team which posted a solid 7-3 record. These veterans include seven offensive starters and eight defensive regulars.

Coach Ben Schwartzwalder says, however, he must refurbish the offensive line and toughen up the defense. Up front, the Orangemen have two performers with "All" potential in offensive tackle Gary Bugenhagen (6-3, 240) and defensive end Herb Stecker (6-0, 195).

Besides being talented, Syracuse, as always, will be one of the teams in the country with the most "muscle."

Returning Letermen: 18

GAME NO. 3

It'll be Missouri's Sugar Bowl champions (20-18 over Florida) and UCLA's Rose Bowl winners (14-12 over Michigan State) in this top early-season intersectional. They had identical records last year, 8-2-1 overall and battled to a 14-14 deadlock in their first meeting since the Bruins won a 13-0 victory back in 1937.

The Tigers are looking for another fine season under one of the nation's winningest coaches. Dan Devine has posted a fabulous .787 winning percentage in 11 years as a collegiate head coach, eight at Missouri (58-20-6) and three at Arizona State (27-3-1).

Ol' Mizzou again is rate a bonafide contender for top Big Eight honors this year—even though the Tigers must fill 12 of 22 first team spots (offense and defense) with new men.

Of the departed seniors, quarterback Gary Lane, double-duty halfback John Roland and tackle Francis Peay will be the hardest to replace. Lane was the Tigers' field boss for three years. Roland and Peay were first-team All-Americans.

"We need to reshape an offensive line that returns just one regular," Devine says, "and while we lost four good tackles, I consider the offensive ends to be one of our trouble spots. As for our new quarterbacks, I'm confident they'll get the job done."

Gary Kombrink, Lane's 1965 understudy, looks like the Bengal's No. 1 play-caller—with Charlie Brown and Earl Denny halfbacks; and Barry Lischner, 210, fullback. Brown led the Big Eight in rushing last fall, and was 10th nationally, with 937 yards and a 5.4 average. Both he and Denny, a sure-handed, hard-blocking back, were regulars last year while Lischner was used sparingly as No. 2 fullback.

If Mizzou embellishes its usual ground game with more diversified passing this fall, Connie Deneault, a scouting team QB last season, will be much in evidence. In fact, he's rated the best passer Devine has had in his nine years at Missouri.

The Bengal's defensive line will be anchored by Bill Powell, a 225-lb. All-America tackle candidate; Don Nelson, a stubby 220-lb. guard; and Russ Washington, 6-6 and 270-lb. end.

GAME NO. 4

Rice will be UCLA's first Texas opponent since 1961 when the Bruins beat TCU, 28-7. Only time the Owls and Bruins have previously met was back in 1952 when UCLA posted a 20-0 victory.

In all-time grid competition, Texas teams hold a 7-5 edge over the Bruins. SMU boasts a spotless 4-0 record over UCLA and Texas A&M is 2-1. The Bruins, however, lead TCU, 3-1, and Rice, 1-0.

Incidentally, this will be the first time a UCLA football team has ever played in Texas.

The Bruins are expecting a rugged evening in Houston. Jess Neely's teams always compete tough. After all, he's the grand ol' man of the coaching ranks. In fact, this will be his 40th season as a head collegiate coach, his 27th at Rice.

His Owls didn't fare too well last season, winning only two of 10 games. However, this record is deceiving as they did upset powerful Texas, 20-17, and lost "closies" to such top Southwest Conference rivals as Taxas A&M and Baylor, both by 13-14 margins, and SMU, 14-17.

The Owls are tabbed to bounce back strong. They have 27 returning lettermen and a host of promising sophs, including a pair of talented quarterbacks, Robby Shelton and Paschal Piedfort, who impressed last spring.

Back are the two top rushers from last year, fullback Lester Lehman, 195, and tailback Chuck Latourette, 175. As a soph, Lehman gained 422 net yards on 101 carries for a 4.2 average and 1 TD; and junior Latourette, 408 yards on 100 carries for a 4.1 average and 6 TD's. The latter also is a fine punter.

Also back are the team's three best receivers, ends Tommy Tyner and Murphy Davis and wingback Glen Hine. The 6-4, 200-lb. Tyner caught 27 passes, Davis 24 and Hine 18. Davis, however, was switched to linebacker last spring.

GAME NO. 5

The big news in Penn State football is the coaching change, with the veteran Rip Engle retiring after 16 seasons and Joe Paterno, a long-time Engle assistant, taking over this year. Paterno has retained all of Engle's staff and has added one new man and this, plus the fact that Paterno played under (at Brown) and coached under Engle (for 16 years), means that Penn State football philosophy and way of doing things won't change drastically—at least for the present.

One thing for sure Paterno hopes to continue is Penn State's fabulous winning record. This perennial Eastern power has never had a losing football season in 27 years. The closest the Nittany Lions came was a 5-5 standoff last year.

Paterno has 14 returning lettermen, including eight starters, four from the offense and four from the defense. Plus, he's blessed with a bevy of outstanding sophomores. At the end of spring practice, the Lions' two-deep listed 17 sophs—11 on offense and six on defense—with at least six of this number slated for starting assignments.

Offensively, the top vets are QB Jack White, split end Jack Curry and halfbacks Mike Irwin and Roger Grimes. White, a fine passer, hit on 98 of 205 passes last year for 1,275 yards and 6 TD's. However, he was outshone by soph Frank Spaziani, an especially good runner, in spring drills.

Curry set all sorts of school receiving records last year with 42 receptions. Irwin, who also stars on defense, average 7.1 yards per carry. Grimes looms as a great tailback if he recovers from knee surgery last spring.

Defensively, Irwin wil team with fellow lettermen Tom Sherman and Tim Montgomery to form a standout secondary. A strong linebacking corps is headed by senior John Runnells, 214. Soph middle guard Mike Reid, 238, and veteran tackles Dave Rowe, 260, and Mike McBath, 238, should be the equal of any middle-three anywhere.

Widest Margin of Victory for California: 35 Points (35-0 in 1950)

GAME NO. 6

Guarded optimism reigns at Berkeley this year as coach Ray Willsey hopes to take another step toward the return of California as a football powerhouse.

The Bears have shown marked improvement under Willsey the past two years. After a 3-7 season in 1964, they upped it to a 5-5 record last year. Of course, Willsey would like to improve on his 0-2 mark against the Bruins, 21-25 in 1964 and 3-56 last year, in this greatest intra-university rivalry in the country.

His 1966 team will be one of inexperience sprinkled with experience. He has 20 returning lettermen and an exceptional group of promising newcomers, both up from the frosh and JC ranks. Of the 81 squad members, 54 have never played a varsity game for the Bears.

QB Dan Berry, already a good runner, had bone chips removed from his elbow last winter, and was throwing extremely well in spring practice. Another standout vet is fullback Frank Lynch (215), an outstanding short yardage runner and blocker.

At offensive halfback, the Bears are counting on no less than four talented newcomers, including Rick Bennett (205), JC transfer Jim Sheridan (185), Joe Richard (195) and Bill Bemat (205). All have speed as well as size. Bennett, who was ineligible for frosh or spring football because he changed his mind after signing a Stanford letter-of-intent, is touted as a coming great.

Back is Jerry Bradley (155), a brilliant split end who caught 22 passes last year. Sprinter Forrest Beaty and 6-7 soph Wayne Stewart give good depth to this spot. At offensive tackle, a soph to watch is Ed White (255).

Defensively, Cal looms big, tough and experienced. The defensive interior returns intact, headed by tackles Larry Lathrop (240) and Dan Goich (225) and guards Bob Crittenden (215) and Mike Brown (230).

Look out for Cal, especially if the sophs and JC transfers come through as expected.

Widest Margin of Victory for Air Force: 27 Points (48-21 in 1963)

GAME NO. 7 UCLA's colorful intersectional series with the Air Force Academy comes to a close—at least for a few years—with this ninth meeting. It'll be a "rubber" battle as the Bruins and Falcons are now tied at four wins apiece.

The Falcons, even though in the throes of a "down" year, a rebuilding year last fall, were mighty tough before going down to a 10-0 defeat to the Bruins. Look for the astute Ben Martin to field another typical hardnosed AFA team this season.

After all, he has no less than 32 lettermen returning. Plus, he is counting on several top prospects up from a powerful frosh squad to put in strong bids for starting berths.

His No. 1 problem is to find a replacement for the versatile Paul Stein at quarterback. The departed Stein set no less than seven AFA records, and in Martin's "Flexible-T" formation the QB is the key to the season.

Junior Sonny Litz, a rifle-armed passer who saw limited action last year in relief, figures to fill the bill at QB. However, he's liable to be pushed by jayvee returnee Craig Baer and soph Steve Turner, both of whom showed real promise last spring.

Pass receiving should be solid as nine receivers who caught passes in 1965 will be back, led by junior ends Mike Mueller and Jim Schultz, who snagged 24 and 21, respectively.

The defense looks to be in great shape, as all 11 starters return. The Falcons may have the best pair of deep backs in the country in safetyman Neal Starkey and Lloyd Duncan. In fact, Starkey is being boomed for All-America honors. Larry Cole (6-4, 233) is another great one at tackle.

The AFA kicking game also figures to be outstanding, especially with senior defensive end Jim Hogarty doing the punting. He boomed five punts over 60 yards last season, including a record 69 yarder, and never once punted into the end zone.

Widest Margin of Victory for UCLA: 30 Points (37-7 in 1947)
Widest Margin of Victory for Washington: 41 Points (41-0 in 1940)

GAME NO. 8

As always, Washington will field another strong football team, an AAWU title contender, a team that figures to be especially talented offensively with such stellar returnees as halfback Donnie Moore, a 205-lb. blockbuster; fullback Jeff Jordan, another 205-lb. power runner, and the sensational Dave Williams at split end.

UCLA knows all about Williams. Last year, he caught two spectacular TD passes—one on a 50-yd. play and the other on a 56 yarder—early in the first quarter to put the Huskies ahead, 14-0. He then caught another TD aerial for 24 yards to make it 21-7 in the second period. But the Bruins came back to win a 28-24 thriller. (Williams' game stats: 10 receptions for 257 yards and 3 TD's, all new UW records.)

There's no doubt that Williams' amazing hands, blazing speed (he's also a fine hurdler who placed second in the 1966 AAWU 440-yd. intermediate hurdles with a 51.7 clocking) and faking ability make him a prime candidate for All-American honors.

But while Willliams can catch nearly everything tossed in the air, the problem confronting Jim Owens is replacing Tod Hullin, the ace QB who threw to Williams. But the Huskies have likely returnees at this key spot. They are Tom Sparlin, a starter as a soph last year before being sidelined with an injury early in the season, and Frank Etter, who saw limited action behind Hullin. And soph Jerry Kaloper, up from the "redshirt" squad, may be the best of the lot.

Moore was the Huskies' leading ground gainer with 637 yards, the most ever gained by a first-year back in UW history. He was moved to fullback last spring because Jordan was recovering from a knee operation. However, Jordan figures prominently in the offensive plans this fall, whether it be at FB or halfback.

Two 1965 backfield reserves who should see lots more action are halfback Billy Parker, understudy to the departed Steve Bramwell, and fullback Dean Halverson.

Defensively, the Huskies lost some good ones, but they are counting on usch top returnees as All-Coast end Tom Greenlee, tackle Steve Thompson (6-4, 215) and halfback Dave Dillon, to name a few.

Widest Margin of Victory for UCLA: 72 Points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 Points (82-0 in 1925)

GAME NO. 9

This may be Stanford's year. The Indians figure to be stronger than last year's winning 6-3-1 team for two good reasons: 25 talented varsity returnees, including six regulars each from the offense and defense; and improvement in overall ability, balance and team speed.

Plus, the Tribe has an impressive "youth movement" propelled by a group of talented sophomores up from the first undefeated and untied frosh team since 1949. Indicative of the important role these sophs may play is the fact that of 104 men listed on the tentative summer roster, 44 are from the 1965 frosh squad.

Standouts among the veterans are expected to be quarterback (or halfback) Dave Lewis, guard Mike Hibler, ends John Mason and Al Wilburn, fullback John Read, tackles Monty Mohrman and Blaine Nye, halfbacks Bob Blunt and John Guillory and center Tim Sheehan.

Lewis, the exciting senior QB who runs, passes, kicks and blocks, may be shifted to halfback to take full advantage of his running and pass catching if soph whiz Gene Washington continues this fall to show the form he displayed last spring.

Hibler is a hard-nosed defensive specialist, Mason a potent wingman and Read a powerful plunging runner. Mohrman might be the most under-rated player on the squad and Wilburn has to be considered a top-flight defender. Blunt missed most of last season because of a knee injury but looked to be a great threat in the spring. Guillory is steady in the defensive secondary, Sheehan does a bang-up all-around job at center and Nye can be one of the best linemen on the Coast.

Besides Washington, George Buehler, a mammoth end (6-2, 245), is another super soph.

One thing is certain—competition for positions on the 1966 Stanford team will be keen at just about every position. Given their share of breaks, and maximum development, the Indians will be very, very tough.

GAME NO. 10

Although USC will be going without Heisman Trophy winner Mike Garrett at halfback, the Trojans loom, as always, a prime contender for the 1966 AAWU title.

Three starters return in the offensive backfield, but the only one certain of a job is All-American candidate Rod Sherman, 189, at flanker back. Last year, despite a leg injury, he scored eight times, caught 24 passes and rushed for 277 yards on just 49 carries.

Don McCall, 192, who impressed as Garrett's understudy, heads the left half candidates. Sophomores Wilson Bowie, 183, and Leonard Sims, 190, are capable of pushing him.

Quarterback Troy Winslow, 183, a darting runner, accounted for over 1,300 yards in total offense last season and completed 60% of his passes, but he faces a fight for the No. 1 spot. Among the challengers are JC All-American Dick Hough, 175, who led Fullerton to a Junior Rose Bowl victory last season: junior Toby Page, 182, and soph Steve Sogge. Many tab Sogge as the best bet to wind up on top.

Gary Fite, 217, and Mike Hull, 205, who split most of the fullbacking chores last season, are back. There figures to be a wide open struggle at this spot with the return of powerful Homer Williams, 222, who missed the entire 1965 campaign with a leg injury.

Only one offensive starter returns, guard Jim Homan, 221. Guard Harry Wells, 215, who would have been a starter, missed the 1965 season with a broken foot and is still rated a doubtful participant.

Four talented newcomers should bolster the offensive line, although the middle could still be a problem. Split end Rich Leon, 190, and tackle Dennis Born, 255, were JC All-Americans. Split end Ron Drake, 175, is another JC plum. Tight end Bob Klein, 230, is a good one up from the frosh.

Defensively, the Trojans have nine members of their 1965 unit back, including such standouts as tackle Ron Yary, 252; linebacker Adrian Young, 198, and halfback Nate Shaw, 201.

THUMBNAIL SKETCHES OF UCLA PLAYERS

(In Alphabetical Order)

Only Lettermen Are Pictured

LARRY DAVID AGAJANIAN—Sophomore; Business Administration major; Phi Gamma Delta fraternity. This defensive guard played on 1964 frosh team, but didn't see action on varsity last year because of an infected heel. However, he had a good spring practice and figures to play quite a bit of football this fall as a swing guard. This promising 6-3, 232-lb. lineman is the son of Ben Agajanian, famed place-kicking specialist. Lettered in football under coach Skip Rowland, former UCLA halfback star, at Wilson Hi in Long Beach Calif.; also lettered in track.

RAYMOND EDWARD (RAY) ARMSTRONG — Senior; Pre-Dental major. This two-year letterman, who played 85½ minutes at left half in 1964 and 51 minutes at right half last year, was moved last spring to split left end. (Also lettered on 1963 frosh team at left half). Has fine speed and catches ball pretty well. However, this 5-9, 159-lb, speedster, a former sprinter in track, must learn routes and become accustomed to new position. Lettered in football under coach Don Couch at Livermore (Calif.) Hi; also lettered in track and basketball. Won All-Diablo Valley League grid honors and also was voted his team's "Most Valuable Player". Served as both football and basketball captain and Student Body vice-president.

INDIVIDUAL VARSITY STATISTICS

1964—Rushing: 19 carries, 67 net yards, 3.52 average, no TD's.
Receiving: 10 receptions, 110 yards, 11.00 average, 1 TD.
1965—Rushing: 13 carries, 87 net yards, 6.68 average, no TD's.
Receiving: 2 receptions, 69 yards, 34.50 average, no TD's.
2-Yr. Totals—Rushing: 32 carries, 154 net yards, 4.81 average, no TD's.
Receiving: 12 receptions, 179 yards, 14.92 average, 1 TD.

MICHAEL J. (MIKE OR RED) ARNOLD—Junior; Business Administration major. This offensive left tackle is a returning non-letterman, played only 20 mnutes last year. (Also played tackle on 1964 frosh team.) Has real promise. Lettered in football under coach Frank LaSan at Pacifica Hi in Pittsburg, Calif.; also lettered in basketball and track. Won all-league honors in football and also served as grid captain.

GARY JOSEPH BEBAN—Junior; History major. Was voted UCLA's "Most Valuable Player" for 1965 after a spectacular sophomore season at quarterback. He's the first Bruin soph to win this coveted "MVP" award since tailback Paul Cameron received it back in 1951. Also won unanimous All-AAWU and All-Coast first team honors (AP and UPI). Was one of six QB's named on Helms Athletic Foundation's All-America squad and was picked on

the A-A second teams by Football Digest and NEA. Gary was superb as a soph but figures to be even better —perhaps, more consistent—as a junior. After all, a junior figures to be a more experienced, a better player than he was as a soph. He does everything well; plus, he has tremendous poise at all times. He's a prime A-A candidate for '66. Beban set three new UCLA records—most yards passing in a season, 1,483, breaking Larry Zeno's mark of 1,363 set in 1964; most touchdowns scored in a season, 14, breaking the old record of 13 jointly held by Joe Fleming (1926) and Paul Cameron (1953); and total offense for a season, 2,073 yards (590 rushing and 1,483 passing), breaking the old mark of 1,889 yards (803 rushing and 1,086 passing) by Bill Kilmer in 1960. He also tied another school record—most TD's running in a game, 3, to tie 11 other Bruins. In total offense he was over 200 yards in five of the 11 games, topped by 282 yards against Washington. His biggest running game was against Tennessee, 82 net yards on 21 carries for a 3.9 average and 3 TD's. His biggest passing game was against Washington, 203 yards and 2 TD's on 8 completions of 13 passes. But his most spectacular performance came in the USC game. With the Bruins trailing 6-16 with four minutes to play, he unloaded two aerial bombs for scores—one for 66-yd. play to Dick Witcher and the other on a 52-yd. play to Kurt Altenberg to give UCLA the AAWU title and Rose Bowl bid. He accounted for 23 TD's during 1965, 14 by running and 9 by passing. As a frosh in 1964, he led the Brubabes to California's "Big Four" title, beating USC and Stanford and tying Cal. Lettered three years in football under Joe Marvin, former UCLA tailback, at Sequoia Hi in Redwood City, Calif.; also lettered in baseball and basketball. As a tailback, won All-Northern California grid honors in 1963 and also served as baseball and basketball captain.

INDIVIDUAL VARSITY STATISTICS

1965—Rushing: 194 carries, 590 net yards, 3.04 average, 14 TD's.
Passing: 152 attempts, 78 completions, 6 interceptions, 1,483 yards, 9 TD's.
Total Offense: 326 plays, 590 yards rushing, 1,483 yards passing, total of 2,073 yards.

MICHAEL A. (MIKE) BERGDAHL — Sophomore; Business Administration major; Phi Delta Theta fraternity. This powerful and promising soph back (6-0, 192) follows in the UCLA footsteps of his father Len Bergdahl, who quarterbacked Bruin football teams in 1930-31-32, and his brother Bob, who was a blocking back in 1954-55-56 and then served as an assistant football coach at his alma mater for seven years (1958-64). He was the starting fullback on 1965 frosh team which played only two games. He gained 99 net yards on 28 carries for a 3.54 average and 1 TD. Was moved to halfback, first to wingback and then to LH, last spring and showed real promise. Was somewhat handicapped last spring by a knee problem after a knee operation in the summer of 1965. He was the leading ground gainer in the final spring game, netting 84 yards on 18 carries for a 4.67 average. Looms as the third great Bergdahl to play for the Bruins. Certainly, he came to UCLA as one of the most sought-after prep backs in

THUMBNAIL SKETCHES

(Continued)

many years. He had a fabulous three-year varsity career under first coach Lew Stueck (1962), now an assistant mentor at UCLA, and then coach Mario Di Muro (1963-64) at Loyola Hi in Los Angeles. As a defensive back (safety) in 1962 and single wing tailback in 1963 and '64, Mike played in 35 consecutive victories and two Southern California CIF championship teams at Loyola. Incidentally, the streak ended in the 1964 CIF title game against Whittier Hi, a 21-14 thriller, Mike's last prep game. His total offense for two years at Loyola was 5,211 yards, 4,231 by rushing and 980 by passing. He either ran or passed for 54 touchdowns over this two-year span. Truly, one of the great backs in CIF history. He's one of only a few players in history to be named on two successive ALL-CIF teams in 1963 and '64. He also won All-America prep honors both years.

ROBERT LEE (BOB) BIGGS—Junior; Art major. This offensive split end transferred from Cerritos JC in February, 1966. Injured most of spring practice. Lettered two years in football at Cerritos where he won All-Metropolitan Conference honors and All-America JC honorable mention. Lettered in football under coach Tom Keough at La Serna Hi in Whittier, Calif.; also lettered in track and basketball. Won all-league grid honors.

CORNELL EUGENE CHAMPION —Senior; Physical Education major. This offensive right half sat out last year with a broken leg. He came back strong in spring practice and impressed with his running and blocking. Averaged 7 yards on 3 carries in final spring game and also caught 3 passes for 29 yards. Looms as the starter at RH. In 1964, he played 99 minutes at offensive left half, played in 7 games, started in 4. Made longest TD run of season for Bruins, a 40 yarder against Penn State. Transferred in September, 1964, from Trinidad State JC in Trinidad, Colorado, where he won 1963 All-America JC honors at halfback. Lettered in football under coach Murray Lazier at Evanston (Ill.) Township Hi, also lettered in basketball and baseball.

INDIVIDUAL VARSITY STATISTICS
1964—Rushing: 62 carries, 222 net yards, 3.58 average, 2 TD's.
Receiving: 7 receptions, 76 yards, 10.85 average, no TD's.

JOHN ROLAND CHAMPLIN — Senior; Political Science major; Phi Gamma Delta fraternity. This defensive end saw brief action last season after being on non-playing "redshirt" squad for two years. Lettered on 1962 frosh team. Lettered in football under coach Carl Berneker at Millikan Hi in Long Beach, Calif.; also lettered in basketball and baseball. Won all-league and All-Long Beach City grid honors. Also served as football captain and student body vice-president.

THUMBNAIL SKETCHES

(Continued)

ALAN BARRY CLAMAN—Junior; Economics major. This defensive right tackle was a standout performer and starter last season. One of the team's most pleasant surprises as he came up to varsity as a virtual "unknown" after lettering on 1964 frosh team. Was No. 3 Bruin in minutes played, with 293 to his credit. Makes up for lack of size (5-10, 193) with quickness, determination and intelligence. A real "Tiger". Won UPI All-Coast honorable mention. Lettered in football under coach Bill Young at Westchester Hi in Los Angeles. Won All-City third team and all-league honors. Also served as football captain.

LARRY CONSTANTINE COX—Senior; Business Administration major; Phi Kappa Sigma fraternity. Has lettered past two seasons as the Bruins' fine punting specialist. Now ranks as UCLA's fifth greatest punter of all time with 103 kicks for 3,923 yards and a solid 38.09 average. Also listed as team's No. 3 quarterback but doesn't figure to see action other than as a punter. Was a nonplaying "redshirt" in 1963 after lettering on 1962 frosh team at QB. Lettered in football under coach Pete Austin at Mira Costa Hi in Manhattan Beach, Calif.; also lettered in baseball and basketball. Won all-league grid honors in 1961 and was voted his team's "Outstanding Back". Served as captain in all three sports.

INDIVIDUAL VARSITY STATISTICS

1964—Punting: 39 kicks, 1,403 yards, 35.98 average.
1965—Punting: 64 kicks, 2,520 yards, 39.37 average.
2-Yr. Total—Punting: 103 kicks, 3,923 yards, 38.09 average.

RICHARD PAUL (RICH) DEAKERS—Senior; Business Administration major; Phi Gamma Delta fraternity. This offensive left guard is primed for an outstanding senior year. Came fast last season as a starting pulling guard who blocked with crispness. Has fine physique for a running guard, with extremely big calves. Played 306 minutes last year, the most of any returning Bruin. Won All-AAWU and UPI All-Coast honorable mention in 1965 and figures to earn wider recognition this fall. Lettered in 1964 at same spot with 68½ minutes. Was a starting frosh guard in 1963. Lettered in football under coach Lew Stueck, now on UCLA staff, at Loyola Hi in Los Angeles. Won 1962 All-Southern California CIF third team honors and also played on South team in 1963 Shrine Game in Los Angeles.

THUMBNAIL SKETCHES

TERRENCE MICHAEL (TERRY) DONAHUE — Senior; History major. This starting defensive left tackle is tabbed for another fine season. Last year, he was one of the Bruins' most pleasant surprises. Many experts rate Donahue and teammate Alan Claman as the best pair of "little" defensive tackles in major college football ranks. (Donahue 6-1, 197; Claman, 5-10, 193). Played 286 minutes last year to rank No. 4 on team in this department. Was member of 1964 non-playing "redshirt" squad. Transferred from Valley JC in San Fernando Valley where he didn't play football. However, he played frosh football at San Jose (Calif.) State in 1962. Lettered in football under coach Tom Vessella at Notre Dame Hi in Sherman Oaks, Calif. Won all-league honors as a linebacker.

RICHARD DAVID (DICK) DONALD — Senior; English major; Phi Kappa Psi fraternity. This hard-hitting and quick defensive right guard is slated for starting duty. Last year, he played 129 minutes in backing up the departed Steve Butler in fine style. After being a frosh numeral winner in 1962, he was a non-playing "redshirt" in 1963. Then played at Valley JC in 1964 before transferring back to UCLA. Lettered in football under coach Doug Garheart at North Hollywood (Calif.) Hi. His father, Richard L. Donald, was a middleweight collegiate boxing champion at UCLA in the late 1930's.

NORMAN JOSEPH (NORM) DOW — Senior; History major; Phi Gamma Delta franternity. Certainly, he rates as one of the better No. 2 quarterbacks in the country. Backed up Gary Beban in fine style last year and is slated for more of the same this fall to give the Bruins solid 1-2 depth at this key spot. Was awarded letter even though he played only 28 minutes. Ran for two TD's, both against California. Also does "squib" punting for the Bruins. sensus All-Americans as John Witte (1956), Ted Bates (1958), Terry Baker (1962) and Vern Burke (1963). Baker was one of the most widely-decorated college football players of all time as the Heisman Trophy winner of '62.

A brilliant football thinker and strategist, Tommy has coached the single wing and various brands of the "T" and "I" formations. He's employing a wide-open "Shifting T" at UCLA stressing a great deal of movement and utilizing a moving quarterback.

Tommy is the son of former major league baseball player and manager, Thompson "Doc" Prothro, and the nephew of Gen. Clifton B. Cates, former commandant of the U.S. Marine Corps. His charming wife is the former Shirley Seagle, of Memphis, Tenn. They have an attractive daughter, Ann.

This summer, Prothro served as the head coach of the West team in the annual All-America game, sponsored by the American Football Coaches' Association, held at Atlanta, Ga., July 9.

HISTORY OF UCLA

ROYCE HALL

As UCLA approaches its 50th anniversary as part of the University of California (it joined the state-wide system in 1919), it also approaches maturity in size and in academic standing as well as in athletic achievement.

Enrollment estimates for this fall point toward a total of 27,500, the limit presently allowable at campuses of the University, making UCLA approximately the same size as the Berkeley campus.

Academically, UCLA has ranked for some time in the top ten universities in the nation in the quality of its graduate offerings, and it has been making rapid strides in related areas, such as the size of its library (with its more than 2,300,000 books, it ranks 11th in size among the nation's university libraries and is the largest research library in the Southwest).

UCLA began its phenomenal growth on the Vermont Avenue campus (now occupied by Los Angeles City College), moving in 1929 to the rolling hills of Westwood, where it nestles between the Santa Monica mountains and the ocean.

Here UCLA has developed its remarkable 411-acre campus, now approximately 75 per cent complete, and settled down to the serious business of producing high-quality graduates for California's growing needs in science, education, business and industry.

One requisite for such graduates is a body of top-quality entrants, achieved by limiting entrance to the top 12½% of the state's high school graduates — those making a B average in a selected pattern of college preparatory work.

UCLA shares these high entrance requirements with the other nine campuses of the state university, headed by President Clark Kerr.

Dr. Franklin David Murphy, 50, is Chancellor at UC LA. He heads a teaching and research staff of 2,800 and a full-time non-teaching staff of 6,400.

There are now 71 instructional departments, schools and colleges, the Graduate Division, and 23 bureaus, centers and research institutes.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $150,000,000 building program has been under way, to meet the ever-increasing enrollment. The number of buildings has more than doubled since the end of the war, and building continues at a rapid pace to keep ahead of growing student population.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its postwar buildings are designed to be architecturally compatible with the older buildings.

While physical expansion is the most astounishing single facet about the Los Angeles campus, the University has also grown rapidly and vigorously in instruction and research — helping the entire University of California maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

DR. FRANKLIN D. MURPHY
UCLA CHANCELLOR

DR. MURPHY

Since becoming UCLA's chief executive in 1960, Chancellor Franklin D. Murphy has given the same vigorous leadership to the athletic program as he has to the university's academic program and the various community enterprises with which he is associated.

"A properly balanced athletic program does no violence to a university's academic program," he been quoted as saying. "In fact, I believe that athletics contribute to a well-rounded educational institution."

Chancellor Murphy's primary obligation, of course, is to guide UCLA in its increasingly complex educational operation, but he manages to find time for such community service as participation on the board of the Los Angeles County Art Museum and as a director of the California Museum of Science and Industry.

A former Chancellor of Kansas University, Chancellor Murphy has a varied background that includes the following elements:

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania, and during World War II served in the U.S. Army Medical Corps doing research on malaria. For three years he was Dean of Kansas University's School of Medicine.

2. He has a broad international background. This includes membership on the Board of the Institute of International Education, the Council on Higher Education in the American Republics, and the Peace Corps National Advisory Council.

3. He has been sympathic toward enlightened business and industry, serving on the Board of Directors of such enterprises as the Ford Motor Company, Hallmark Cards, Inc., McCall's, Inc., and the Times Mirror Co.

4. He is a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancement of Teaching, and the Woodrow Wilson National Fellowship Foundation. He is president of the Kress Foundation.

Chancelor Murphy is married to the former Judith Joyce Harris of Kansas City, a graduate of Vassar; and they have four children, Mrs. Walter M. Dickey, Martha Alice, Carolyn Louise, and Franklin Lee.

The chancellor's interests in sports dates back to the days when he was an all-interscholastic quarterback in Kansas City. He is a frequent spectator at UCLA football games and an ardent fan of all kinds of sports. During one rather poorly attended football game a few years ago, he moved into the rooting section to help operate the card stunts.

DR. BRADFORD A. BOOTH
Faculty Athletic Representative

DR. BOOTH

Serving as Faculty Athletic Representative and as Chairman of UCLA's biggest department, the Department of English, puts Dr. Bradford A. Booth at both ends of University recruiting—looking for big tackles and little poets.

An avid Bruin football fan, famed for his unrivaled attendance record at home games, Dr. Booth was appointed Faculty Athletic Representative in 1956. He also is serving his second term as a vice-president of the National Collegiate Athletic Association (NCAA).

As the Chancellor's representative to the AAWU and NCAA, Dr. Booth and the faculty representatives from the other member schools are responsible for all policy matters and for approving all governing legislation at the conference and national levels, including eligibility of student athletes.

In his role as departmental chairman, the past months have been among Dr. Booth's busiest. In company with most other departments, his has been virtually redesigning every course in the curiculum in preparation for the beginning this fall of the quarter system.

As a teacher and scholar, Dr. Booth concentrates on Victorian literature and is presently preparing an edition of selections from the works of Robert Louis Stevenson. Among his published books are "The Letters of Anthony Trollope," "Anthony Trollope, Aspects of His Life and Art" and a five-volume edition of "The Letters of Robert Louis Stevenson."

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. degrees from Harvard University in 1932 and 1935 and then worked under a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

He came to UCLA in 1936 after teaching English at the University of Tennessee. He has also taught as a visiting professor of English at the University of Minnesota and at Harvard.

Football is just one of Dr. Booth's spectator sports enthusiasms, and he is a participant as well, regularly playing tennis and golf. He lives in Brentwood with his wife, Josephine, and daughters, Celia, 21, who was graduated last June from UCLA, and Carol, 16, a senior at Palisades High School. The oldest daughter, Barbara, is married and a graduate of the University of Washington.

J. D. MORGAN
Director of Athletics

J. D. MORGAN

J. D. Morgan is now in his fourth year as UCLA's dynamic athletic director, a position he has held since July 1, 1963.

During his three-year tenure, to date, at the helm his Bruins have won four NCAA team championships—in track (1966), in basketball (1964 and '65) and in tennis (1965)—and a national collegiate title in volleyball (1965). Plus, this past athletic year saw UCLA recording three historic "firsts": first Rose Bowl football victory, first dual track meet win over USC and the first crew victory over California.

In addition, his tenure has been highlighted by the move of the athletic department into new and permanent quarters, the return of Bruin basketball to campus in beautiful Pauley Pavilion, the opening of a new boathouse for crew at Marina del Rey and the finalizing of plans for a new track stadium on campus.

Because of the pressure of administrative duties in directing UCLA's 18-sport athletic program, he announced his retirement, effective July 1, as the Bruins' tennis coach, a position he has held with "winning" success since 1951. His coaching career, in which he turned out 16 straight winning teams, was featured by no less than seven NCAA team championships (1952-53-54-56-60-61-65) and four national runner-up teams (1962-63-64-66). Last June, his Bruins won both individual NCAA titles—Charles Pasarell the singles and Pasarell and Ian Crookenden the doubles—but were edged out by USC by four points (27-23) for team honors.

Last May, Morgan was cited for "outstanding professional achievement in the field of athletics" at UCLA's Anniversary Day ceremonies.

J. D. was born in Newcastle, Okla., on March 3, 1919. He prepped at Cordell, Okla., High where he was an outstanding four-sport athlete in football, basketball, baseball and tennis. Then, at UCLA, he was a four-year letterman in tennis, serving as the 1941 team captain and No. 1 player. A back injury kept him from playing football for the Bruins.

In World War II, he commanded a Navy torpedo boat, then returned to UCLA in 1946 and has been here ever since, first as assistant tennis coach and an ASUCLA accountant, then head coach and University associate business manager and now athletic director.

J. D. is married to the former Cynthia Gray Crane. They have a son, Kevin, 11, and a daughter, Pamela, 5.

THE LIST CONTINUES TO GROW

UCLA had many highlights during its past 1965-66 athletic year but two are deserving of special note: the NCAA championship track team and the first Rose Bowl football victory in history!

Coach Jim Bush's Bruin tracksters climaxed an undefeated 1966 season by winning the coveted NCAA team title with the biggest point spread (48)—UCLA 81, runnerup BYU 33—in the 45 years this national meet has been contested. And so UCLA has now won 14 national collegiate team titles down through the years: eight in tennis (1950-52-53-54-56-60-61-65), two in track (1956-66), two in basketball (1964-65) and two in volleyball (1956-65).

Two other notable UCLA "firsts" this past athletic year were the first dual track meet victory over USC and the first crew win over California.

After losing five Rose Bowl games—in 1943, to Georgia, 9-0; in 1947, to Illinois, 45-14; in 1954, to Michigan State, 28-20; in 1956, to Michigan State, 17-14; and in 1962, to Minnesota, 21-3—Coach Tommy Prothro's Bruins ended this drought in Pasadena with a 14-12 thriller over Michigan State last Jan. 1.

There is no official NCAA football champion, but the unbeaten 1954 Bruins were recognized as the national titlists by being voted the Grantland Rice Memorial Trophy by the Football Writers of America, as well as being rated No. 1 in two of the three major polls, first in UP and INS and second in AP.
